

February 2013 News Articles

Hi There:

Fortunately the weather hasn't been so bad and we haven't had the freezing condense pipe we had previously but keep being vigilant with the insulation on these pipes.

Even with the latest snow, the new 4 wheel drive van has meant BK Heating have been able to provide service throughout the bad weather.

No Price Rises:

We are very aware of the current economic climate and the continuing rising energy costs.

We have not increased our prices for over 2 years despite increased costs.

For our regular customer's we are grateful for the continued business.

Goodbye Friend and Colleague:

Rose, BK Heating Secretary will be retiring in March and going on a 6 week holiday to Australia and New Zealand. We shall miss her and have been very grateful for all her input into our services over the last 8 years.

She will of course be helping with our back up from time to time and will remain a close friend.

New Company Secretary:

Kathryn will be assuming the role of company secretary. A Confident secretary who has worked for the Duchy of Cornwall together with 2 of the larger estate agents, in Malvern, in the letting department and obviously very familiar with the operation of landlord's certificates and the importance of keeping up to date with these services.

Contact directly to the secretary can be made between 10-3pm on Monday, Wednesday and Friday, or a message left for Kathryn's or my attention at any time on the office line 01684 561895.

All emergencies are to be phoned to my mobile number at any time on 07730930076.

That's all for this update, thank you for reading and for choosing BK Heating.
